

MIC ULTRA Start 5 - 20 - 1

ULTRASTART 5 - 20 - 1

ULTRASTART is a powerful microgranule fertilizer designed in Spain with a unique, versatile and efficient formula.

5 - 20 - 1 + Humic Acid + TE

Contents:	%:
N	5
P_2O_5	20
K_2O	1
Humic Acid	2.5
Mn	0.4
Zn	0.3

Crops and Rate of Use:

Crop	Application Rate	Application Method
Maize and Sunflower	40 - 50 kg/ha	Apply at drilling next to the seed, the plant or by broadcasting.
Potatoes	40 - 50 kg/ha	
Horticulture and Nurseries	100 - 200 g/m²	

- Do not apply on French beans and carrots.
- Regarding crops not listed here, please contact your technician for further assistance.
- Clean the applicator after every use.

Recommendation: To obtain specific recommendations tailored to your growing conditions and crop requirements, it is advised to consult with a local agronomist or agricultural extension service.

Features:

- ULTRASTART microgranule fertilizer is a powerful blend of Nitrogen, Phosphorus, Potassium, humic acid and trace elements, expertly designed in Spain for compatibility with all microgranule application equipment on seeders. Achieve optimal growth and vegetative development with this unique formula.
- Experience the next generation of co-formulant phosphate fertilizers with ULTRASTART. Discover the benefits of our microgranulation process, enriched with Humic acid substances that act as a ligand, optimizing bioavailability of phosphorus for enhanced nutrient uptake.

Benefits:

- Achieve precise fertilizer placement at the time of planting with ULTRASTART.
- ULTRASTART's uniform micro-granules offer multiple points of contact with seeds, providing emerging seedlings withessential nutrients for an optimum start.
- As a vital component of your new season fertilizers program, our product improves fertilizer efficiency, reduces leaching losses, and enhances yields for optimal results.
- Experience the ultimate efficiency with ULTRASTART. Our product reduces the quantity of starter fertilizers needed for maximum impact, allowing you to get the most out of your fertilizer application.
